DOWNTOWN PARKING MANAGEMENT PLAN

On January 8, 1996, the Upland City Council approved a parking management plan for Downtown Upland through adoption of Resolution 4680. The purpose of the parking management plan is to ensure there are on-street parking spaces available for customers and visitors to Downtown and to allow merchant parking and Metrolink Parking in various designated parking lots in the Downtown area.

On-street Parking:

All on-street parking on First, Second and Third Avenues as well as D and C Streets, Ninth Street and A Street in the Downtown area is limited to 2 or 3 hours, between the hours of 8 a.m. and 5 p.m., as posted. Parking permits are **NOT VALID for on-street parking**. Anyone parking on-street between the hours of 8 a.m. and 5 p.m. for more than the posted time limit runs the risk of receiving a parking ticket.

City-owned Parking Lots:

All city-owned, public parking lots located on Arrow Highway, First Avenue, A Street or Third Avenue, are limited to 3-hour parking only, unless you have a valid parking permit. **Merchants, business owners and their employees are required to park in the public parking lots**, so there are adequate on-street parking spaces for customers and visitors to Downtown. If you have a valid parking permit, you may park in public parking lots for more than 3-hours. Anyone parking in City-owned parking lots between the hours of 8 a.m. and 5 p.m. for more than the posted time limit without a parking permit, runs the risk of receiving a parking ticket.

Metrolink Parking Lots:

Metrolink parking is allowed in the designated Metrolink parking lots on the south side of A Street between Euclid Avenue and Campus Avenue, and in the parking lot at the south west corner of Second Avenue and Stowell. If Metrolink riders park on-street, or in city-owned parking lots, they will run the risk of receiving a parking ticket.

DOWNTOWN PARKING PERMITS

Parking permits allow parking in city-owned parking lots for merchants, business owners and their employees, with a valid business license and Downtown residents, between the hours of 8 a.m. to 5 p.m., as posted. By displaying a valid parking permit, the permit holder may park for more than 3-hours without worrying about receiving a parking ticket. Parking permits must be displayed on the rearview mirror or in the bottom right corner of the passenger side of the front windshield in order to be valid.

Obtaining a Downtown Parking Permit:

From 1996 until 2010, parking permits were available from the Main Street Inc., office. Since the closure of this office, Development Services Department in Upland City Hall has been issuing parking permits to new businesses in Downtown. Parking permit applications are available at Development Services Department, located at City Hall, 460 N. Euclid Avenue. Business hours are Monday – Thursday from 8:00 a.m. until 6:00 p.m. Permits are only available to Merchants, business owners and their employees and Downtown residents. For more information on parking permits or to obtain an application, please contact the Development Services Department at (909) 931-4139 or email us at jcallens2@ci.upland.ca.us.
