BACKGROUND

The Five-Year Consolidated Plan is part of the City's grant application to the Department of Housing and Urban Development (HUD). The plan establishes a framework of housing and community development priorities for Upland, aides in identifying and sets the foundation for projects and programs to help local low- and moderate-income communities solve their problems, meet their needs, and achieve their goals over the next five years. The One-year Action Plan then allocates funding to specific programs and projects for a given year. The Action Plan will appropriate Community Development Block Grant (CDBG) funding to specific programs and projects for the 2016--2017 fiscal year.
