Let us help you grow your business!

Introduction to QuickBooks

Looking to transition to QuickBooks but aren't quite sure if it's the right software for you and your business? Have you recently transitioned to QuickBooks but don't think you are using it correctly? Then this in-depth intro to QuickBooks is the perfect course for you! Join QuickBooks Expert and CA Licensed Tax Preparer LaVonne Shields for a detailed look at key features of the QuickBooks Accounting Software and how to implement it into your overall accounting system.

Wednesday, March 18, 2015 from 9:00 a.m. to Noon

Financing Your Startup, plus Developing a Successful Business Plan

Join us for two information-filled workshops designed to help your startup succeed! First, learn about how you can obtain a government guaranteed business loan, or secure financing for your startup through alternative lending, Crowdfunding, or your 401K. Then, stay for an interactive seminar that will show you how to put together a solid business plan - a crucial part to obtaining financing.

Wednesday, June 17, 2015 from 9:00 a.m. to 1:00 p.m.

Building Your Online Marketing Toolkit

Every business should have an online presence and a marketing strategy. Join Constant Contact Authorized Local Expert Liz Harsch for an introductory course that will give you some simple ideas to grow your organization through email marketing and social media. Topics include what to write about, how to get more people to stop and read your messages, and how to get more action, or reaction, to your messages and offers.

Wednesday, September 16, 2015 from 9:00 a.m. to 11:00 a.m.
